**FRIENDSHIP GOLF TOURNAMENT
THANK YOU**

Dear Robin,

As I write, we anticipate officially starting renovations at 71 Ann St., Kitchener, the new home of House of Friendship's Women's Addiction Services, this September. This important step in the transformation of how we support women in recovery is possible, because we are half way towards the *Under One Roof* Capital Campaign goal of \$2 million.

Your *New Beginnings* sponsorship of House of Friendship's *Friendship Golf Tournament* brought together a record 166 golfers to raise over \$23,000 for this important project. In appreciation of your contribution, we were pleased to provide you with the following recognition:

- Colour logo on event sign on course
- Company name in professionally-printed event program
- Company name in Waterloo Region Record ad, Saturday July 14, 2012 issue (attached)
- Company name in the October 2012 issue of *Friendship News* (distribution 16,500)
- Company name on our web site (www.houseoffriendship.org) for the coming year

Please mark your calendars for the 18th Friendship Golf Tournament on July 10, 2013 when we'll do it all again for a good cause. And in the interim, please be sure to stay tuned to www.houseoffriendship.org/underoneroof for Campaign updates. After all, we're all in this together, *Under One Roof*.

With sincere appreciation,

Christine Rier
Development Director
